

## WALTON COUNTY BOARD OF COUNTY COMMISSIONERS PROJECT INFORMATION FLYER

PROJECT ID: 25-16

LOCATION: NORTHEAST WALTON COUNTY

PROJECT MANAGEMENT: WALTON COUNTY ENGINEERING DEPARTMENT

### CR 1883 ROADWAY IMPROVEMENTS (PHASE 1)

Walton County is pleased to provide information regarding the forthcoming roadway improvement project located in the Northeast area of Walton County along CR 1883 beginning at intersection of SR 83 and terminating at the intersection of CR 183B.

**Construction Start:** Summer 2025

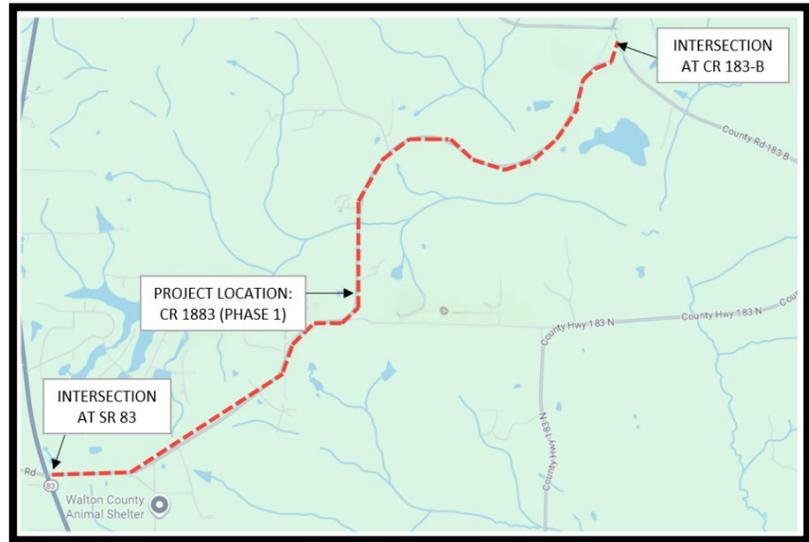

**Estimated Completion:** February 2026

**Contractor:** Southeast Construction Co., LLC

**Construction Cost:** \$2,650,557.72

#### PROJECT IMPROVEMENTS

- Scope of work will include the resurfacing of the existing roadway of CR 1883 for approximately 4.92 miles from the intersection of SR 83 to the intersection of CR 183B. Improvements include milling and resurfacing of the roadway, signing and pavement marking upgrades, and minor drainage improvements. The limits of the current construction project are indicated by the red dashed line on the project location map.

#### TRAFFIC IMPACTS

- Intermittent shoulder and travel lane closures are anticipated throughout the duration of the project.

#### GENERAL INFORMATION

- The contract duration for this project is 190 calendar days.
- This project is funded through the American Rescue Plan Act of 2021 (ARPA) as appropriated for projects eligible under the Small County Outreach Program and/or the Small County Road Assistance Program administered by the Florida Department of Transportation.
