LOCATION: 117 E SLOSS AVE, DEFUNIAK SPRINGS

PROJECT MANAGEMENT: WALTON COUNTY ENGINEERING DEPARTMENT

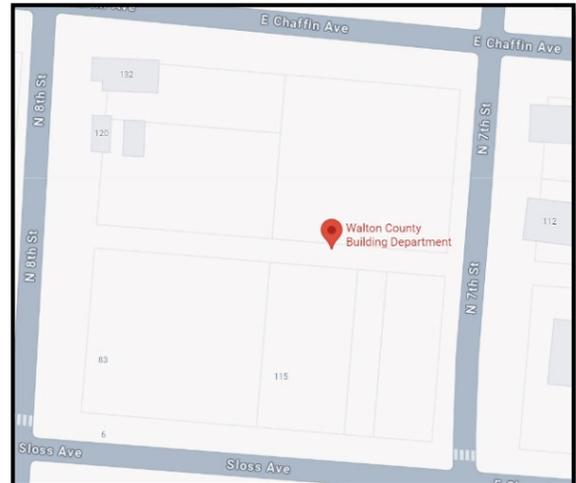

## WALTON COUNTY BUILDING AND TRAINING FACILITY

Walton County is pleased to provide information regarding the complete project, Walton County Building and Training Facility.

**Start Date:** October 2022    **Completion Date:** February 2025    **Project Cost:** \$16,526,624

### PROJECT IMPROVEMENTS

- This project was design and construction of a 37,000 SF three-story building for the county's permitting and training facility.
- Over the years, the Building Department has occupied at least two other buildings. Currently, the new facility is now a block away from its previous location. This building can also be utilized as a training center.
- The facility was built completely with permits and licensing fees in place of ad valorem taxes.
- Building Department staff worked with architects to optimize both staff performance and permittee experience within the new building.
